Dear Valued SmartSide® Customer:

Thank you for your continued support and strong demand built from LP® SmartSide Trim and Siding. As we move into 2025, we are planning for another year of SmartSide product growth driven by increased market penetration through the collective efforts of our teams.

To meet ongoing demand growth, LP has continued to add additional capacity in our network for both primed SmartSide Trim and Siding and prefinished LP SmartSide ExpertFinish® Trim and Siding. We are announcing a price change across all LP branded siding and trim products and categories. New pricing will take effect on any shipments from LP on or after January 6th, 2025.

We recognize and appreciate your organization's commitment to LP, and we look forward to growing with you in 2025.

Thank you for your business and continued support of LP SmartSide products.

Sincerely,
