

Price Increase Announcement

Nov 26th ,2024

To Our Valued Customers:

Re: LPSS and LP Expert Finish price change effective January 1st,2025.

As part of Louisiana Pacific's recent price change announcement, Taiga will be implementing a corresponding price increase with a weighted average increase of the following per region in Canada.

Zone 7 and 8 (BC, AB, SK, MB, YT, NWT)

LPSS Prime 4% to 7% *Weighted Average*

LP Expertfinish 3% to 7% *Weighted Average*

Zone 9 and 10 (Ont, QC, Atlantic)

LPSS Prime 4% to 7% *Weighted Average*

LP Expertfinish 3% to 7% *Weighted Average*

The above is a weighted average, however, some regional price pages may see specific products fall outside these estimates. New pricing will take effect on any shipments from LP or Taiga on or after Jan 6th 2025.

Thank you for your continued support. We value your business and are committed to keeping you competitive in the marketplace. Please contact your Taiga Representative and ask about the Taiga Advantage Program for more details around pricing options and what it can do for you.
