## To Our Valued Customers

### **Subject: Roofnado Peel and Stick Price Increase Notice**

Effective January 2, 2025 we find it necessary to increase pricing on both Roofnado LapLock HT PSU and Roofnado Anchordeck PSU.

Both products will be increased by 5 to 7%. Itemized pricing will be confirmed soon. All other Sentry Roofnado and Sahara branded products will remain at the current price and will not be impacted by this increase.

We value and appreciate your business and support!

Sincerely,

Sentry Building Innovations
